

WCOA 2008 EVENT

Wanderer Training Day, Try a Wanderer & Cruise Event

Improve your boat handling/rigging with expert tuition from Ian Porter

Come along and have fun - All Wanderer owners welcome

Meet other Wanderer owners, hopefully learn something which you can put into practice during the rest of the season. Try a brand new Wanderer (or an old one!)

Starting at 10.30 on Saturday 19 April, Ian Porter will give a talk on boat handling. We will progress to the water, when Ian will continue his advice and tuition. Bosham Sailing Club is on the Quay, Bosham, Chichester, West Sussex, PO18 8LU. There is a cruise organised on Sunday 20 April in Chichester Harbour, so come for the weekend.

ANOTHER GREAT WCOA EVENT FOR THE 2008 SEASON

PROGRAMME FOR SATURDAY 19TH APRIL

- ❑ High tide is 1205
- ❑ Event will take place at BOSHAM (NOT COBNOR)
- ❑ Please arrive in good time, before 1030
- ❑ For those with boats, go directly to dinghy park, find a space and, if you have time, rig it. Please try not to obstruct movement of boats and cars with your mast. Your car must be removed to the car park or other suitable space (but not on the shore line as your car will get wet!)
- ❑ We will start at 1030 with a talk by Ian Porter in the Clubhouse. There is no set agenda. He will determine on the day what Wanderer owners want to know and tune his talk accordingly. But the theme will be boat handling and better sailing techniques.
- ❑ We will break at some stage to see a practical demonstration of rigging and, for those who have not done so already, to give an opportunity to rig boats.
- ❑ Lunch will be at about 1230. Bring your own or obtain from Club. The Club will be forewarned, but you might have to wait for lunches.
- ❑ We will aim to get on the water at 1330 for practice manoeuvres and practical tuition from Ian. Short races are an option.
- ❑ We will aim to bring boats ashore at about 1600 and end the day with a short debrief in the clubhouse.
- ❑ Again, find a space in the dinghy park for your boat if you are staying for the cruise on Sunday.
- ❑ There will be a supper in the Club in the evening, 1900 for 1930.

There will be a charge of £10 per boat for the training events (£2.50 each for those without boats).

Separate from the training events, there will be an opportunity to "try a Wanderer". There is no charge and trials will be arranged throughout the day.

A brand new Hartley Laminates Wanderer will be on show and available to try out.
